Low voltage direct. 2014/35/EU

GENERAL CHARACTERISTICS

Commercial Series	ALUBOX Series
Synthetical description	JUNCTION BOX

Description

The ALUBOX Series Junction Box is engineered for surface mounting applications, offering robust protection with IP66, IP67, and IP69 ratings. Constructed from die-cast aluminium, this junction box ensures durability and resilience in demanding environments. Measuring 100x100x59mm, it provides ample space for secure electrical connections. Its grey finish complements industrial settings, while its high protection degree safeguards against dust, water, and other environmental factors. Ideal for use in harsh conditions, the ALUBOX Series Junction Box is a reliable choice for professionals seeking a high-performance enclosure solution.

Mounting version	SURFACE MOUNTING
